**Year 3
Home Learning
Activities
Term 1**

Geography:

Find out where prehistoric monuments are located in the UK.

English: Create a prehistoric animal, think about what it looks like and it's character, does it have any special skills?
Draw and label.
Write a story about the animal.

This term our topic is Stone Age, if your child is having to self-isolate these activities can be completed at home. The teacher's more detailed topic planning is available on the class page on the website.

Please also look at the class page for Reading and Maths activities.

Computing:

Design a poster for staying safe online.

Design Technology:

Build a prehistoric shelter.
Make a biscuit Stone Henge.

P.S.H.E:

Create a poster of your family tree. Think about things everyone does to support each other, for example: making meals, tidying bedrooms.

Art:

Make a Stone Age necklace.
Draw some Stone Age cave art.
