25<sup>th</sup> September 2020

Dear Parents and Carers of Rabbit class children,

The children are very excited to begin Forest School next week and I wanted to share with you information about this. Please send in warm, waterproof clothing and wellington boots for Monday 28<sup>th</sup> September. All items need to be named and be in a bag.

Wellington boots will be kept on shelves in our outside area. We support the children to become independent in getting changed.

We do go to Forest school when the weather is frosty and cold, we do not attend if it is raining heavily. We will begin by going for about an hour and as the year progresses our time will increase to whole morning sessions.

After Forest school on Monday children will go home in their forest school clothes, as our session is in the afternoon. On Wednesday's and Thursday's children will change back into their school uniform. We send forest school clothing home on a Thursday to be returned on Monday.

Children take part in a very wide variety of opportunities in Forest school, including climbing, balancing, exploring nature, playing with water, maths and storytelling. We will be sharing the children's learning with you via Tapestry and I know they will learn so much by taking part. All members of the Rabbit class team go to Forest school with the class.

If you have any questions please do ask me.

Kind regards

Miss Anecchiarico
