Parent and Carers have been asking for clarity

COVID-19 UPDATE

2nd Lockdown - From 5th November up to and including 2nd December

Adults and Children must not leave or be outside their home unless for Education, Work, shopping for essentials or Medical reasons.

You must not meet socially indoors with family or friends unless they are part of your household.

You can meet up with one person outside wearing a mask and keeping a social distance apart.

All these measures are in place to reduce the growth rate of the Covid 19 virus to:

- prevent the NHS from being overwhelmed
- ensure schools, colleges and universities can stay open
- ensure that as many people as possible can continue to work

In school we are:

- Using a one way system
- Wearing masks at all times where social distancing is difficult particularly outside at drop off and collection times.
- One adult per family collecting and dropping off.
- Staying home when feeling unwell and informing school.

Childcare

During lockdown unless you have child care arrangements and have formed a support bubble you should not be collecting other people's children.

nhs.uk/coronavirus

We thank those staff and families who have, and are, isolating as a result of Covid 19 and helping prevent the spread.

**Thank you for helping
keep us all safe**

If you or your child have coronavirus symptoms:

- a high temperature
- a new, continuous cough
- a loss of, or change to, your sense of smell or taste

Get a test and stay at home

Your household must isolate/stay at home for 14 day unless a negative test result is received.
