Dear Parents and Carers

This year one of our key objectives is to:

- **Develop our exciting Arts curriculum to promote personal aspiration and actively inspire all children to learn.**

Do you have a skill, talent or passion that you would like to share with our pupils? We are looking for adults who will share their love of art, music, dance, design and technology.

Throughout October, we will be celebrating Creativity through the Arts in conjunction with Black History month. Our focus will be on celebrating diversity through the arts.

Can you share your favourite cooking dish with pupils, cultural art skills or regional music? If so, please get in contact with the school office.

Warm regards

Miss AM Middleton
