Dear Parents and Carers

Breakfast and Tea Time Clubs

Breakfast and Tea Time clubs will not be open next week (week beginning 15 March).

I understand this will be disappointing for some parents but I have reviewed our Risk Assessment, consulted with staff and followed national and local infection data sets.

Together, we have worked so hard to minimise the risk of infection across our school community that opening Breakfast and Tea Time clubs would very likely result in increased infections and pod closures that would affect many children, staff and families. We currently have a significant escalation of cases in the Canterbury area whilst the rest of Kent continues to see a fall in cases.

With your support, we have reduced risks by maintaining our four separate pods, maintaining high levels of hygiene and reducing risks of infection from beyond the school such as restricting access onto school grounds and the wearing of face masks.

I will continue to review the need for Breakfast and Tea Time clubs every week and will keep you fully informed.

Regards

Miss AM Middleton
