25th March 2021

Dear Parents/Carers,

Your children have probably already told you, but we have welcomed four new members to Pilgrims' Way – chickens!

The children are already very excited and interested in the chickens and we hope that they will become an important part of our school. We would like to thank Ms Redwood and Mr Harrington for all of their hard work in preparing our courtyard ready for our feathery friends.

The school adults are keen to get the children involved in looking after and enjoying the chickens. This might involve visiting them, collecting eggs and feeding them.

If your child is allergic to, or fearful of chickens and you would prefer they do not go in with them please make sure you inform your child's class teacher. This can be done by speaking to them, informing the office or messaging them directly via ClassDojo.

Many thanks,
