Dear Parents & Carers

Welcome back to Term 4. I hope you all had a wonderful half term.

As a school we plan to slowly reintroduce pre pandemic routines:

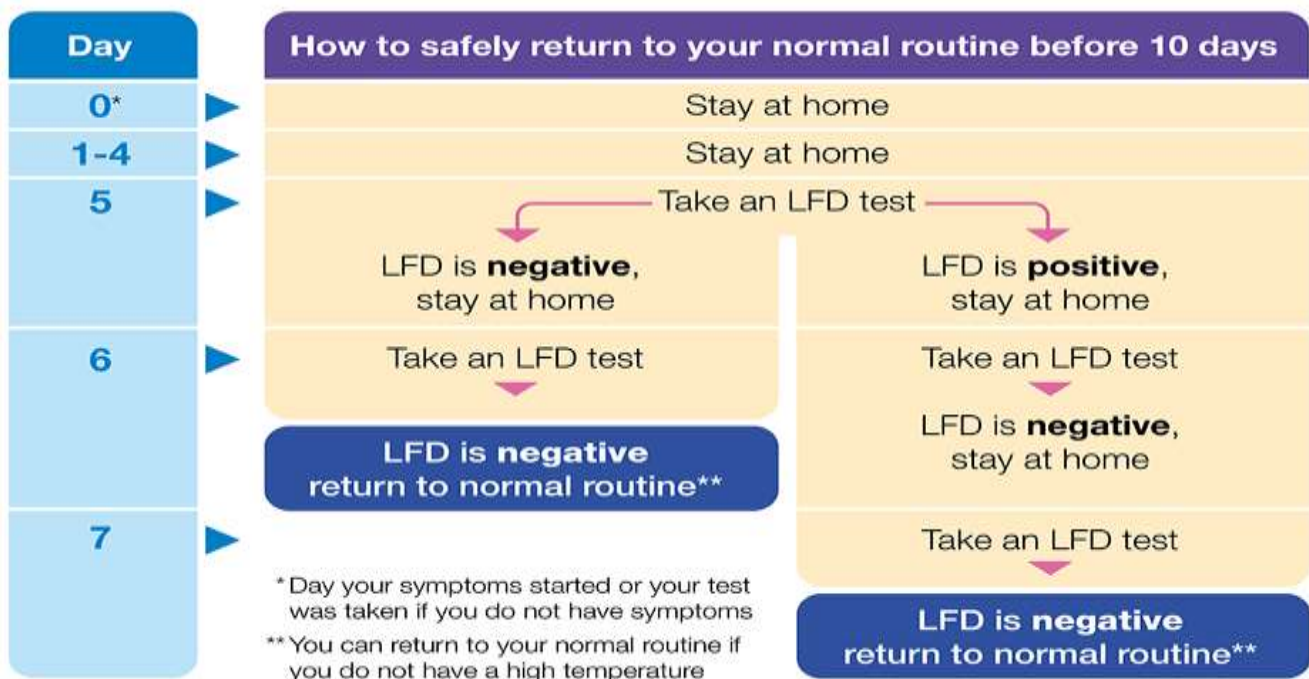

- We will no longer be required to wear masks on the school site unless you wish to do so
- Consider short whole school assembly once a week
- We will continue with the one-way system
- We continue to have only one adult in the reception area
- Continue to monitor infection rates, daily
- Children no longer need to wait in Isolation room

The current guidance continues to follow the flow chart advice:

- If a child has symptoms in school, parents will be phoned and advised to take a PCR - if negative the child can return to school

The main symptoms of COVID-19 are a recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)
- If you have any of these symptoms you [should order a PCR test](#). You are advised to stay at home and avoid contact with other people while you are waiting for the test result.

If your day 5 and 6 LFD test result is positive, you can continue taking LFD tests until you receive 2 consecutive negative test results.

Please contact us if you need guidance in getting your child(ren) into school if you test positive.  
My sincere thanks to you all for your support.

Warm regards
