

Zebra Class

Hello! Miss Haynes here! Our class next year will be Zebra class and I will be your teacher. But, I am getting married so when I am your teacher I will be Mrs Newman, not Miss Haynes anymore! I really enjoy baking and arts and crafts, so we will definitely be doing some of that next year! I love reading books, and funny ones are my favourite! Do you have a favourite funny book?

I am really excited for you to join me in Year 3! We do lots of really fun learning and I know we will have a great year together!

Our class is called Zebra class! Did you know that zebras can live in small families or in groups of over 1,000 called super herds! I'm sure we will be a super group of zebras next year too!
