Headteacher: Miss AM Middleton

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on Friday 3 February 2023.

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising the profile of this charity, we can help to share their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern. Did you know that on average, a child contacts Childline every 25 seconds?

Making maths meaningful

As we are passionate about making learning fun and memorable, we thought that supporting Number Day would be a great way to make maths fun and encourage a positive, 'can-do' attitude towards it as well as raising the profile of such a worthwhile charity. During the course of the day, the children will experience some great activities to promote their enjoyment in maths and use their maths skills to make memories.

What we are asking you to do at home:

- If your child would like to, we are asking them to come to school in non-uniform wearing an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme (work with friends to be the 3 little pigs or dress up as a dice!)
- There is a TT Rockstar competition happening online involving schools in the United Kingdom. It's a 1-day competition which starts on Friday 3rd February 2023 at 07:30 GMT and ends at 19:30 GMT. It's all done online via play.ttrockstars.com.

Kind regards,

Mrs E Campbell
Deputy Headteacher
