Dear Parents, Carers, staff and children

As we end another week in 'Lock-down', my sincere 'Thank You' for your kindness and support for us as a school throughout this very strange and difficult time. You have made contact through the welfare@pilgrims-way.kent.sch.uk email and have shared amazing home activities that you have completed with your children through our website.

I am incredibly proud of all our staff who continue to work at home to ensure the high quality Home Learning is provided for all our children; for the Office & Finance staff who continue to ensure the day to day running of our school continues whilst battling the significant challenges of working remotely at home; to Mr Harrington and his team for maintaining Pilgrims' Way so that it is safe and clean for when we return; to our staff who are support children of Critical Workers at Chartham Hub; to our Pastoral Team who continue to support many children and families during this time.

We have a couple of changes to staffing as we welcome Mrs Prestleton, our new Forest School Leader and we say goodbye to Mrs Haybourne who is leaving Pilgrims' Way to teach at another school.

And finally, to you all for following government advice to keep your children, families and our community safe and well by observing lockdown protocols - staying at home, washing hands, and social distancing if you really need to go out. Thank You.

Until we have clear direction from the government to start to lift restrictions, please stay safe and well.

Warm regards to you all

Miss AM Middleton - Headteacher

Don't forget to go on TT Rockstars, daily practise will really help children with their maths on return to school. Next week we will have class battles, the winners will be announced on 15th May 2020.

If you do not know your child's log in please just contact using the welfare email address.

We are very excited to see that so many children have been accessing our exciting new spelling programme from home: Spelling Shed! Each child has their own login (contact welfare@pilgrims-way.kent.sch.uk if your child doesn't know theirs) and they can practise words set by their teacher each week to earn points and become a better speller! Classes will battle each other to see who the ultimate spellers are.

Keep spelling!

Parent Survey

We have sent out a text to all parents asking them to complete a short survey to ensure we are supporting families in the best way during this time. We would really appreciate as many parents/carers as possible completing this, please visit <https://forms.gle/397JqXbUzvE2rYoG6>

Thank you

Art Project

We have linked up with Canterbury Christchurch students who are going to provide an exciting, interactive art project for our families. This will begin on Monday 11th May, look out for information on facebook and our website.
