

Hello, my name is Miss Tombs and I am the teacher of
Year 1 Bumblebee Class.

I am really excited to meet you all in Year 1 in September.

In Year 1 we work hard but have lots of time to play too.

I love teaching phonics and reading. I also love numbers, counting and puzzles. I enjoy art activities and anything to do with science and nature. I feel really upset when anybody spoils our beautiful world by dropping litter or leaving a mess.

I am looking forward to hearing what you like learning, who your friends are and what your favourite activities are.

Miss Tombs

Bumblebee Classroom

Did you know bumblebees don't have ears but they do have 4 wings that beat 200 times a second? (That's faster than a sports car!)
