Dear Parents and Carers

Welcome back to Term 4 to all our pupils, families and staff. A particularly warm welcome to our new children who started at Pilgrims' Way this week. They have all settled in beautifully. It has been a great pleasure to meet you and your families and I look forward to watching your progress.

I am also delighted to welcome Mrs Sobhani to our Lower KS2 team.

This term has started with all our children being Wowed by an amazing and informative presentation about owls. We welcomed a number of owls and their handlers into our school hall where we learned about the different species of owl, how they hunt and feed and were all amazed at seeing them fly around the hall.

Year 4 have started their swimming lessons and a number of educational visits have already been planned for this term by the staff.

Next week Mrs Cooper and I will be travelling to London with a group of children to visit the Houses of Parliament and receive our Kellogg's Best Breakfast in South East award. We have also been entered into the Grand Winner Best Breakfast Club Award and the winner will be announced next week!

Warm regards

Miss AM Middleton
Headteacher

Provision Evaluation Officer Visit to Mrs Smith and Mrs Watts:

On 12th February, Mrs Smith and Mrs Watts invited Gina Turner from the Local Authority in to share all the wonderful ways in which Pilgrims' Way support children's learning.

Gina enjoyed a school tour of our fabulous site and was impressed to see all the strategies and previsions in place as well as the nurturing, inclusive ethos of our school.

We are excited to invite her back in May to see more of what is on offer here!
