Expedition

Year 1 Home Learning Activities Term 6

Find out about and describe the basic needs of animals, including humans, for survival.

This term our topic is:

**What does it take to be a great explorer?
If your child is having to self-isolate these activities
can be completed at home. The teacher's more detailed
topic planning is available on the class page on the
website.**

**Please also look at the class page for Reading and
Maths activities.**

Find and read a story about the seaside.

What happened at the beginning? The middle? And the end?

Draw 3 pictures and write 3 sentences to describe the events.

Use some objects from your recycling and make a rocket for an expedition to space.

Observe the weather on a Summer day.

Draw a picture and write about the weather. Find out what temperature it is and record.

Say how the weather felt today.

Identify, draw and label clothes we wear in the Summer.

Think about what you need to protect yourself from the hot sun.

Count to 100.

Can you write all the numbers to 100?

Write them in rows of 10.
