

Write a persuasive piece explaining your view about whether school uniform is a good idea or not...

In each paragraph, write your point, give evidence, and then explain!

Write 10 interesting facts that you have learned this year. You could make a PowerPoint if you wanted.

Think about our Geography and History topics, as well as Science, Maths and English.

Make something which involves sewing. At school, we will be using the running stitch to create a phone cover and a stuffed fish. Design, make and evaluate your product.

What are the rules for rounders?  
Make a poster which explains the rules to a beginner. You could even include diagrams.

## Year 5 Home Learning Activities Term 6

Research the importance of sewing in World War 2. You could display your facts on a poster or write a fact file.

Will computers replace teachers one day? Write a balanced argument, explaining different reasons for this.

**This term our topic is 'sew what?'. If your child is having to self-isolate these activities can be completed at home. The teacher's more detailed topic planning is available on the class page on the website.**

**Please also look at the class page for Reading and Maths activities.**

What does gestation mean? Find out about the gestation periods of different animals and display the information on a table.

Animal	Gestation Period (days)

Write a recipe for your favourite meal.

How would you respond to an emergency? Make a poster/leaflet which shows when and how to contact different emergency services.

Create an advice leaflet, outlining how to be safe when sewing.
