Dear Parent/Carer

We are very excited to be working with Canterbury College again this year. The Spring Lane college site allows their students to develop a wide range of skills including how to grow fresh produce for animals and maintain wildlife areas. This purpose-built site is in a beautiful setting which provides a calm, safe, nurturing and supportive environment.

We are very excited to be able to visit this site and be able to see all of the animals they look after there. The site has an amazing collection of animals, wallabies, ferrets, snakes, spiders, lizards, geese, tortoise, goats, guinea pigs, rabbits, chickens, fish to name but a few!

Rabbit and Hare children will be visiting in groups (as the site can only accommodate 15 children at a time) on either Monday 26th, Tues 27th or Weds 28<sup>th</sup> June. Your child's class teacher will let you know which day they will be going.

Please drop them off and pick them up as normal as they will be leaving shortly after registration and arriving back to school in time for lunch. The children will be walking to the site which is only about 10mins from school.

Please send them to school in normal uniform with sensible shoes and a waterproof coat.

If your child is allergic to any animals, please let the class teacher know.

We are really looking forward to the visit and know the children will enjoy it.

Kind regards,

Mrs E Campbell  
Deputy Headteacher
