

Dragonfly Class

Hello, my name is Miss Stevens, and I am the teacher of Dragonfly class.

I am going to be new to the school and I can't wait to get to know you and find out about all the things that make you special.

I love listening to music, being outside with my dog, playing games, and laughing at funny stories and films. I also love learning new things. In year 1 we will learn lots of exciting things, but we have lots of time to play too.

Me (Miss Stevens)

Flossie (my dog)

We will be called Dragonfly class. Did you know there are over 3,600 different types of dragonflies on our planet? Dragonflies have very beautiful wings and come in many different colours like blue, yellow, red, and green.
