

Year 3

Seadragon Class

Hello everyone and welcome to Seadragon class!

I am Miss Hilton and I will be your new class teacher. You will be my second class at Pilgrims' Way and I am looking forward to meeting you all.

I really enjoy arts and crafts and hope we can make lots of fabulous displays in our classroom. I also love to read. Even though I am a grown up I still love picture books. I bring in lots of books from home that my grown up daughter used to love when she was little and can't wait to share them with you.

When I am not at school, I spend time with my four cats and two dogs. My dogs love walking and so do I! My favourite walk is when I walk past the elephants and rhinoceros that live in our local zoo. I love animals and would be delighted to hear all about your pets.

I have chosen for us to be Seadragon class as they are very good at camouflaging themselves and swimming! Can you swim? We will find out much more about them and our learning will be exciting and we will plan some trips outside of school. Our year will be challenging yet fun. I have heard all about your skills and you sound ready to rock in Year 3!

Miss Hilton

Your new class will be called SEADRAGON

Did you know?

The Common Seadragon or Weedy Seadragon is a marine fish related to the seahorses.

These unique sea creatures can grow as long as 35 cm, and weigh only a quarter of a pound- about 45 paperclips!
