

Jellyfish Class

Hello! Mrs Newman here! Our class next year will be Jellyfish Class and I will be your teacher. Our class teaching assistants will be Mrs Ali and Miss Davidson.

I really enjoy baking and arts and crafts, so we will definitely be doing some of that next year! I love reading, and funny books are my favourite! Do you have a favourite funny book?

I am really excited for you to join me in Year 3! We will do lots of really fun learning and I know we will have a great year together!

Our class is called Jellyfish Class. Did you know that jellyfish travel in large groups called blooms? I'm sure we will be a fantastic bloom of jellyfish next year too!
