

Geography Curriculum Map

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1		How does the weather affect our lives?		What is the geography of where I live?		Why does it matter where my food comes from?
Year 2		Why don't penguins need to fly?		How does the geography of Kampong Ayer compare with the geography of where I live?		Why do we like being beside the sea so much?
Year 3		How and why is my local area changing?		Why do some earthquakes cause more damage?		Why are jungles so wet and deserts so dry?
Year 4		Why do so many people in the world live in megacities?		What is the sunshine state really like?		How can we live more sustainably?
Year 5		How do volcanoes affect the lives of people?		How is climate change affecting the world?		How do you make trade fair?
Year 6		What is a river?		Why are mountains so important?		Who are Britain's national parks for?

Geography is taught in three blocks a year and is alternated with History
