

All About Me

by Ahmad Raza

I am speedy, smart, clever.
I wonder if I will ever get my pen.
I hear me being trusted and respected.
I see successfulness in my hands.
I want to be more speedy.

I am speedy, smart, clever.
I pretend to eat.
I feel as light as a feather.
I touch positiveness.
I worry for my family.
I cry for myself.

I am speedy, smart, clever.
I understand my friend's feelings.
I say that my friend is trusted.
I dream about me going to Saudi Arabia.
I try to get a pen.
I hope to grow up.
I am speedy, smart, clever.

age 8, Pilgrims' Way Primary School. Teacher, Simon Cullen.
