

SPACES AND PLACES – LET'S GET CREATIVE

Hello

My name is Ella and I am a first-year student at Canterbury Christ Church University. It's really lovely to meet you.

At the moment I am living at home with my family, looking after my younger brothers and helping them with their home learning whilst my mum and dad are at work. I try and be creative every day. This makes me feel happy.

I live in the countryside and each day we go for a walk.

I was thinking about all the animals who live in the countryside. I made up a pretend animal, Miss Hedgehog.

I wondered what her home would be like? I hope that she is safe.

When you go on your walk, or when you look out of the window, do you see any animals? Or, maybe you have a pet? What does their home look like?

Here is my drawing of Miss Hedgehog's home.

Miss Hedgehog's home will be made of things she collects from outside. Twigs, grass, leaves. Its very nice inside. Take a look?

Now do you want to have a go?

Design any animal home.

Think about the materials – things you can find all around you.

You can draw a picture. Or you can make a model (maybe you have an old shoe box you could use)?

Take a picture and [submit it here](#) it will be put it on the School Website and we will have a gallery of your pictures.

We will also enter these into the Turner Contemporary Art Competition.

<https://portfolioartcompetition.com/about/>

Here are some extra ideas that you might enjoy. We can't wait to see what you create.

1. Here are some lovely ideas to get you LOOKING from Turner Contemporary. As you start your art journal you could collect things you see when you really LOOK! (The Turner Contemporary Cards are your resource)
2. Here are two famous artists paintings of a room. Which do you like and why? Can you paint a picture of a room? It might be your ideal bedroom or room in a treehouse? (LOOK at the two pictures)
3. Being well at home: - some activities to help you find your happy place 😊 (See the Well at home worksheet)

It might be nice to put all your ideas, pictures, collages and things you collect into a Journal or Scrap Book. We know that your teachers will really love to see these when you return to school.
