

## School

### The school will do its best to:

- Provide an environment which has been risk assessed in response to the COVID-19 infection
- Adhere to the social distancing rules as set out by the government as much as we reasonably can
- Provide a curriculum that meets the needs of your child's well-being, mental health and academic needs
- Contact parents/carers if your child displays symptoms of COVID-19
- Inform you if staff or children in your child's 'pod' show symptoms of COVID-19 as this will mean you will all need to self-isolate for at least 14 days or until the test comes back negative
- Continue our clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy Guidance, as well the expectations outlined in this agreement
- Communicate between home and school through letters, newsletters, text, email, the school website and Facebook page

## Parent

### To help my child at school, I know and understand that:

- If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, we will self-isolate for 14 days as a family. I will inform school immediately.
- If my child, or another child in the group, shows symptoms of COVID-19 at school, I will collect my child from school immediately
- When dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules.
- When dropping off and picking up, I will strictly stick to the school timings for my child
- I will need to remind my child about social distancing rules but accept they are difficult to follow and that my child may not always do this successfully
- My child will need to use good hand hygiene
- If I need to inform the school of a message, I shall send it via the Pod Lead, phone or email.
- I need to support all staff in their efforts to create an 'as safe as possible' environment during this crisis
- Read all letters/messages/emails that are sent home
- I need to inform the school immediately of any changes to parents/carers and emergency contacts details.
- If my child is deemed unsafe, he/she will be sent home and cannot return to school until they can be safe.
- I will send in a full water bottle every day, sun hat and apply sun cream when the weather is predicted to be hot.

## Child

### I will do my best to:

- Adhere to the social distancing rules in class and in the playground
- Tell an adult if I feel unwell
- Not bring things into school from home, or take things home from school
- Only use the equipment provided to me by school and no other
- Not mix with any other children or adults outside of my pod
- Only use the toilets for my pod
- Only enter and exit the school building from the designated door
- Follow good hygiene: coughing and sneezing into elbow or tissue (catch it-bin it-kill it)
- Follow good hand hygiene – use soap and water for 20 seconds/ hand sanitiser
- Listen carefully to adults and follow their instructions first time to maintain the safety of myself and others
- Follow these expectations and know that if I do not, I will be sent home and will not be able to come back into school until I can be safe.
